Pool Rules

The Bridges at Shadow Glen pool is for the use and enjoyment of all Owners and Residents, their family members and guests. The pool rules are designed to help provide maximum enjoyment for all and to protect their health and rights of usage.

The pool will be open from 5:00 in the morning to 10:00 at night. Everyone is to leave the facility at the closing time of 10:00 pm. These hours will be enforced so please comply voluntarily and avoid loss of privileges. Hours may need to be adjusted if noise levels are offensive per city code.

There is no lifeguard on duty at any time. An adult, age 18 and older, must accompany children under 14 years of age. Children under 14 must be closely supervised at all times. This means a responsible party must be in or near the pools at all times when their children are using the pools. This includes the wading pool. Resident youths 14 – 17 years may swim without an adult.

A cleansing shower before use is essential for both people and pools. It keeps the pool healthy by not clogging the filters with lotions. It keeps you healthy because pool chemicals are naturally drawn to dry skin and are absorbed by your body very quickly if it is dry.

Food and drink in non-breakable containers are allowed on the pool deck but please be conscious of keeping the pools clean by not having food or drink in the pools themselves. Those bringing consumables into the pool area will be responsible for cleaning up and disposing of trash generated.

Owners/Residents enjoy sharing the facility with their family and friends, but to do so you need to accompany them to the pool site. Please limit the number of guests at any one time to seven. This number can be slightly flexible in some circumstances as long as it is not abused.

This is a public facility and a family community therefore public nudity and skinny-dipping are strictly prohibited. If this behavior is observed, please contact the Association office so that appropriate action can be taken.

Please bring your facilities key fob for access to the pool area. Do not ask someone inside the facility to open the gate for you, and do not prop the gate open! With a beautiful facility such as this, inevitably persons outside of our community may try to access the facility for a free swim, especially as the weather gets nicer. Please do not open the gate for someone who does not have a facilities key fob. Do not climb the fence as this damages the fencing. Please report anyone climbing the fence for access to the pool to the Association office, or if after hours contact the police department. While this seems harsh, this unacceptable behavior is only encouraged and then repeated when it is not dealt with.

Owners are asked to thoroughly go over these rules and regulations with each member of your household, or lessees of your property, to make sure they understand and will comply. The Bridges at Shadow Glen Owners Association has the right to suspend the pool privileges of any owner or resident who is in violation of the pool rules and regulations.
